

INSTRUCTIONS TO REGISTER AT AFSP.

What should you have ready to start your registering process:

1. History of your addresses of the last 5 years.
2. Your passport, please scan it in your computer also. You will need to upload, a scanned copy. Your ID page including issue information, total files should not exceed 5 mb.
Formats possible: BMP, DOC, GIF, HTML, JPEG, JPG, PDF, and TIF.
3. go to: www.flightschoolcandidates.gov/index.html
4. Start with new accounts. Please read, carefully the instructions of password.

For your further guidance, you can always quit the registration, and continue later on, with your account info.

At the provider page (STEP 7), the following are the information you need:

State : Florida
Provider Name : Djurre R.B. Vrieswijk
Course ID : FAAPPLAP
Course Name : FAA Private Pilot License
Course Description : Private Pilot License Course

Airplane : Cessna 172

Start date : Jan 5, 2007
End Date : Dec 31, 2007

At the end (STEP 9) you need to upload your passport copy. Please add in the name of the file your Training ID request number you are assigned at STEP 8.

Suggest you change filename in: TR-IDREQUEST-NR.....

As this number is unique, they will always know to whom the file belongs.

When you have sent a request please email to Jamal and Djurre:

Jamal : jamalaruba@yahoo.com

Djurre : p43dj@setarnet.aw

In this email subject line put your Training ID request number.

In the email you need to put your name and address and telephone numbers.

This will make for us easier to track the info.

Upon approval of your request, you will need to pay USD 130,00. This amount is included in your class cost. AFC will pay it on behalf of you.

After that you will get a fingerprint instruction email. With that you can be fingerprinted.

Any question, read the homepage and links of AFSP **AFTER** that you still not have your answer then call Jamal: 5932807 or email.
